Public Forum on Roundabouts

West Lafayette, Indiana - May 15, 2009 - The West Lafayette Traffic Commission will present a forum on roundabouts at their May Traffic Commission meeting. This forum is open to the public and will include a presentation and discussion on modern roundabouts.

The City of West Lafayette is currently planning and designing a roundabout for the intersection of Cumberland and Kent to be built in 2010. This will be an opportunity for the public to learn about the design, safety benefits and operation of modern roundabouts.

The Traffic Commission meeting will be on Wednesday, May 20th at 6:00pm in the City Council Chambers at West Lafayette City Hall, 609 West Navajo Street.

For additional information, contact the City Engineer's Office at 765-775-5130.
